The six learning areas

Grow throughout life

Grow throughout life by learning and reflecting on yourself, your background, and your strengths.

Explore possibilities

Explore the full range of possibilities open to you and learn about recruitment processes and the culture of different workplaces.

Manage career

Manage your career actively, make the most of opportunities and learn from setbacks.

Create opportunities

Create opportunities by being proactive and building positive relationships with others.

Balance life and work

Balance your life as a worker and/or entrepreneur with your wellbeing, other interests and your involvement with your family and community.

See the big picture

See the big picture by paying attention to how the economy, politics and society connect with your own life and career.

Where you are on your career journey:

- Learning about yourself and your skills
- Developing good relationships with others
- Understanding the importance of following rules and being punctual
- Researching careers on using the career's section of the school website and using Unifrog
- Using LMI (Labour Market Information) to inform career choices.
- <https://bep.education/wp-content/uploads/2022/02/LMI-Guide-MY-WAY-Into-The-World-Of-Work.p>
- Building skills for work, life and well being through subject teaching, PSHCE, clubs, leadership responsibilities and extra curricular trips and activities
- Working hard on your studies to give yourself the best opportunities for when you leave Leasowes
