

Coronavirus (COVID-19): Risk Assessment Action Plan for Opening for September 2021

Leasowes High School

Assessment conducted by: D Willetts	Job title: Facilities & Operation Manager	Covered by this assessment: Opening of school to all pupils from Sept 2021 and continued changes to guidance from Government
Date of original assessment: 21 August 2020 but document re-written 6/9/21	Date of review: 28/2/22 D Willetts in line with updated guidance's for Schools during COVID-19	Review Dates 26/2/21, 1/6/21, 6/9/21, 11/1/22, 28/2/22

The sole purpose of this risk assessment is to support schools in preparing for all pupils, in all year groups, to return to school full-time from the beginning of the autumn term **while reducing the risk of coronavirus transmission**. The risk assessment has been written in collaboration with a number of local authorities.

- For the purpose of this risk assessment, the term ‘coronavirus’ to refer to coronavirus disease 2019 (COVID-19). Schools must ensure that this risk assessment reflects the local setting and context of the school. Staff must be consulted with regard to this risk assessment (this must take into consideration all types of workers including agency workers, casual staff and contractors and any other adult on site as well as your permanent staff).
- This risk assessment is not exhaustive and is issued to schools as a template to assist in the production of a comprehensive document that covers the particular circumstance of the setting – **as such, the risks and risk controls should be deleted/amended/added-to to reflect the school.**
- This should be viewed alongside relevant advice and guidance from the Department of Education and reflect any additional subsequent guidance issued to schools.

Key:	
Level of risk prior to control	Identifies the risk before any steps to reduce the risk have been taken
Risk Description:	Outlines the area of concern.
Risk Controls:	The measures that will be taken to minimise the risk. These are generic and should be adapted for the school context of Leasowes High School.
Impact:	Could be Low/Medium/High
Likelihood:	Unlikely = Low, Likely = Medium, Highly Likely/Certain = High IF IMPACT AND LIKELIHOOD ARE BOTH HIGH, THEN THE ACTIVITY SHOULD BE STOPPED UNTIL ADDITIONAL CONTROL MEASURES ARE PUT IN PLACE.
Responsible person:	The identified staff member(s) responsible for implementing the risk controls.
Completion Date:	The date by which required plans for controls will be in place. To support planning, identify which controls need to be in place before pupils return to the setting.

Line Manager Check: Sign off to ensure that the risk has been minimised as far as possible.

Poor hygiene practice – specific - spread of potential infection at the start of the school day.	H	<p>In line with government advice:</p> <ul style="list-style-type: none"> Issue information to young people, parents, carers and visitors not to enter the school if they display any symptoms of coronavirus Ensure that pupils clean their hands regularly, including when they arrive at school, when they return from breaks, when they change rooms and before and after eating. Soap and water are the best approach to this and schools should endeavor to ensure there are enough hand washing facilities available. The correct hand washing routine should be followed. Hand sanitiser ‘stations’ are an alternative and sufficient of these should be available so that all pupils and staff can clean their hands regularly between washings. Ensure supervision of hand sanitiser use given risks around ingestion. Small children and pupils with complex needs should continue to be helped to clean their hands properly. All staff advised of good practice to wash hands on arrival in school Sufficient supplies of hand-washing supplies should be provided to accommodate this procedure at the start of the day. 	<p>Parents clearly advised of actions required in relation to any persons showing signs of Covid-19 as well as requirements for isolation. This mirrors National guidance.</p> <p>Pupils have received a coordinated programme of information from SLT and from Teaching Staff on first day back in September and reviewed regularly as well as information that has been provided through correspondence to parents to ensure necessary hygiene practices are understood. Ongoing programme of reinforcement to ensure practices are continued dependant of guidance changes.</p> <p>Parents informed via letter from the Headteacher regarding back to School guidance. This has been reviewed when necessary and sent by the Headteacher.</p> <p>Pupils have received a coordinated programme of information from SLT and Teaching Staff on first day back in September as well as information that has been provided through correspondence to parents to ensure necessary hygiene practices are understood. Ongoing programme of reinforcement to ensure practices are continued.</p> <p>Signage in each toilet reminding students of the correct hand washing routine that should be followed.</p> <p>Hand sanitiser stations set up in all classrooms and at other locations around the school.</p> <p>Students given clear guidance on the dangers of ingestion of Hand Sanitiser and its misuse.</p> <p>SENCO aware and specific risk assessment made for any students where such a need is identified.</p> <p>Staff informed and aware of the good practice to wash hands on arrival.</p> <p>Additional hand sanitizer provided at points are available.</p> <p>Face coverings are no longer advised for pupils, staff and visitors in classrooms or</p>	L	1	SLT SLT/Tutors SLT/ Headteacher SLT/Tutors F&O F&O SLT/Tutors SENCO SLT	06/09/2021 / ongoing 06/09/2021 / Ongoing 06/09/2021 / ongoing 06/09/2021 06/09/21 06/09/2021 06/09/21 Ongoing	Headteacher Headteacher Headteacher Headteacher Headteacher Headteacher Headteacher
